

How Fubo TV free Trial Works - All you Need to Know

Fubo TV is one of the popular streaming service that allow users to stream a variety of live sports, movies, and shows to their devices without needing a cable Box. It is popular with various people who love sports and want many channels on demand.

But all this is not available for free; you have to pay a certain amount for it. However, if you want to get it for free, then the [Fubo TV free Trial](#) is the official option that you can opt for.

This blog consists, how it works and what the process is to opt for it.

Does Fubo TV Offer a Free Trial?

Yes, you can get a Fubo free trial option as a new user to try the Fubo services before pay for the actual subscription.

The trial option usually lasts 5 to 7 days under the normal promotions. Sometimes, under the special offers, it will extend like retail partners, but those are not always available.

What You Get With the Free Trial

If you get a free trial, then full access will be available as a paid subscription. Here are the following benefits you will get:

- All the Live TV channels you can access during the free trial period, like sports, news, and entertainment, as per your plan you choose while signing up.
- You can access all the on-demand movies and shows, whatever you want to watch.
- DVR will be available to you during this trial period to record games or shows effortlessly.
- Also, you can watch on your favorite shows and movies on multiple devices or screens simultaneously, it includes desktop, tablet etc.

How to Sign Up for the Free Trial

This is an easy process to sign up for the free trial and benefit from its free offers.

- Visit the Fubo TV Website, or you can open your application

- Now, create your account by providing all the required information
- After creating your account, you can choose your desired plan, like Pro, Elite or Premier.
- You have to provide your payment options, like debit or credit card. It is required for the auto-pay after your trial is completed.
- After providing everything, you must confirm it by checking your trial dates on the screen or in your account settings.
